25X1 6. [ ] Talked with Senator Jack Miller's  
Legislative Assistant and arranged a time of three o'clock for the  
Director to see the Senator in the Senator's office.

25X1 7. [ ] Talked with Mr. Moore, on the staff of  
the Joint Economic Committee, saying that the Director would not be able  
to accept an invitation to appear before the Committee in open session.  
Mr. Moore said he expected this and he did understand it.

25X1 10. [ ] Left with Representative Roman Pucinski  
the two ticker items carrying his comments on possible Agency support of  
the Cuban Freedom Committee.

25X1 11. [ ] Dropped by the office of Representative  
Abraham Multer, and, in his absence, talked with Tim Colcord of his staff.  
I told Colcord that we merely wished to take notice of the Congressman's  
interest and favorable comment on the Agency's relationships with NSA as  
evidenced by his insertion in the Congressional Record of a favorable news-  
paper column by Bill Slocum. Colcord said he would advise the Congressman  
of our visit and relay to him our invitation to visit us sometime at his  
convenience.

25X1 12. [ ] Congressmen George Bush (R., Tex.)  
and Edward G. Biester (R., Pa.) confirmed that they plan to attend the  
March 14 breakfast briefing at the Agency.

25X1 13. [ ] Spoke with Mrs. Melvin, in the office  
of Congressman Glen R. Davis, concerning constituent mail on the NSA/CIA  
relationship. It appears that this request can be satisfied with a "support  
package" which I will drop by on Monday.
